

## **New\* 60W ERT Cross Piece**

**60W Cross piece with washer for use with Vintage Water Works Brace Bracket  
Installation takes less than 10 seconds with no special tools, yet installer is able to  
get back in the pit and work on the meter without damaging installation. Vintage  
bracket keeps 60W ERT at the proper height under the lid to maximize under lid  
RF performance**

**Part # VWWS60WSH**
